ABOUT

SKYE DIAZ

Skye Diaz is our extraordinary 6-year-old team member! This little dynamo is not just a sibling of someone on a rare medical journey but a shining star in her own right. With a sprinkle of spice, a dash of humor, and an overflowing well of creativity, she's the perfect fit as our creative content manager.

When she's not busy modeling, you can find her lost in the world of music and dance, two of her great loves. Her boundless energy and imagination inspire us all as she helps create magical moments for families on rare medical journeys.
